Minimum requirements for all CAB minutes are spelled out in the By-laws

Some suggestions to use when preparing/reviewing all minutes:

1. Accuracy/spelling of names important to double check.
2. Adherence to numbering used for agenda to correspond to notes in minutes important.
3. Our by-laws say we will record the names of who makes the motions for each action item, and who seconds, and what the outcome of the vote are.
4. Ideal to include as many of the handouts as possible, sign ins, etc.
